## STUDENT OF THE MONTH

My name is Tayler Melton. I was born and raised in crescent city. I graduated from Del Norte High School. My mother is Dawn Melton & my father is Dennis Melton. My father is the son of Norene Darnell, and she is the daughter of Mabel Smith. I attended Rogue Community College, Medford Oregon and I just graduated with my Associates Degree in General Studies with a focus in Nursing. My plan now, is to apply to Oregon Health & Science University to obtain my Bachelor's degree in Nursing and become a RN. I am going to college because I always knew I wanted to work in the medical field. I originally wanted to become an Ultrasound technician but after my mother passed away in 2019, I decided to change my major to nursing because my mom's nurses had a really positive impact on me and my career path. My goal is to become either an ICU nurse or a Labor and Delivery Nurse. My words of advice for anyone thinking about going to college is to experience anything and everything. You'll never know if you don't like it unless you try it. College isn't for anyone but I'm thankful for the path I'm headed on because of me going to college. You can achieve anything if you work for it!

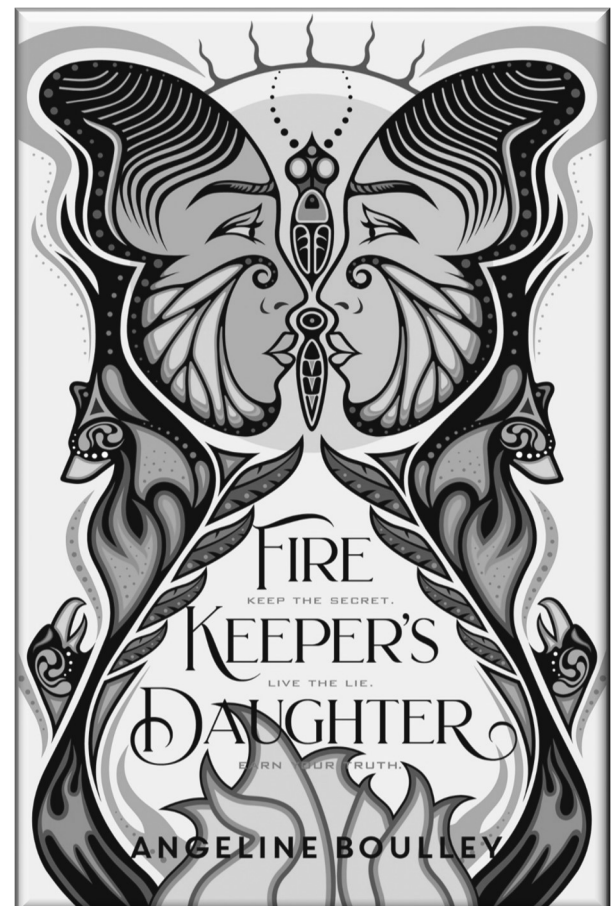

## BOOK OF THE MONTH

As a biracial, unenrolled tribal member and the product of a scandal, eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. Daunis dreams of studying medicine, but when her family is struck by tragedy, she puts her future on hold to care for her fragile mother.

The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, certain details don't add up and she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into the heart of a criminal investigation.

Reluctantly, Daunis agrees to go undercover, but secretly pursues her own investigation, tracking down the criminals with her knowledge of chemistry and traditional medicine. But the deceptions-and deaths-keep piling up and soon the threat strikes to close to home.

Now, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go to protect her community, even if it tears apart the only world she's ever known.

## Grants:

The Continuation Grant is due August 31, 2021. The Program Information Report (PIR), which is a report required by Office of Head Start is in the finalizing stages of being completed. This report is due August 31<sup>st</sup>.

## Playground:

Nicol and I met with Tim Hoone and Billy Fender on June 18<sup>th</sup> to go over the Playground Site Completion. We identified the areas still required to be repaired/installed/built, to have the Playground safe and secure for when the children come back on site in September. Billy and Tim are to provide me with a timeline working towards the projected completion date, which will be around the middle of July.

## Staff:

Staff have been attending NIHSDA (National Indian Head Start Director's Association) annual training. The training was via Zoom. Nicol and I have been taking the trainings that pertain to our roles of administrative positions. Our staff have been attending the trainings as a group and focusing on trainings that look more towards classroom settings, child behaviors, children assessments and observations and Cultural Teachings and Values.

Lenora and I are currently reviewing job descriptions and working with Human Resources to fill our vacant job positions.

## Re-open Plan:

We are moving forward with presenting our re-opening plan to Tribal Council. We are working to get it on calendar to be presented to council on July 8<sup>th</sup>.

## Head Start Enrollment:

We are currently working on ways to increase our Head Start Enrollment.

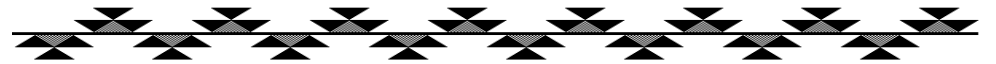

We are working on ideas for getting Enrollment Flyers and information out to the public. We are preparing to put the information on the radio and in the local newspaper. We have been reaching out to other agencies in the community to let them know we are ready for children for this coming school year.

## Future:

As we continue to fill our vacant positions at Head Start, we will continue to team build and work together in a collective effort to provide a Nurturing, Learning, Safe environment for the children.

Respectfully,

Diana Bommelyn

Dv-laa-ha~,
